Video Technology Informational Meeting  
Oct 10, 2021 after worship

The Video tech/hymnal team will present a bid to have TV's installed so that the worship bulletin, lyrics to music and You Tube music can be used without having to put up the portable projector screen. We have memorial moneys to pay for this, so we will not be asking people for donations. There will be a time for questions and answers. This is just an informational meeting. A vote will not be taken at this time.

The scrip orders are due Sunday, November 28th. Forms are available in the back of church. There will not be another order before Christmas, order now for all your Christmas shopping needs!!

Join us on Wednesday nights beginning October 6th at 6:15 for Bible study. We will be studying the Gospel of John.
