Report from the Annual Meeting of the Minnesota Conference UCC

I attended the Annual Meeting of the conference. Our Conference Minister, Rev. Shari Prestemon gave a speech about the Minnesota Conference's Calling and its priorities as adopted by the Board of Directors.

Highlights are:

God calls the Minnesota Conference United Church of Christ to equip a courageous Church alive with Christ's transforming love.

Strategic Priorities

Deepening Connections

Facilitating relationships within and beyond the church, which includes deep listening, healing justice, and spiritual transformation.

Developing Leaders

Cultivate leadership skills needed for a changing church including adaptability, faithful risk taking, and collaboration. Work with rural church leader both clergy and lay members, leadership opportunities for church moderators/presidents.

Our goal is to revitalize congregations and deepen spirituality.

Doing Justice and Mercy

We join in God's call to transform the world, calling for mercy, justice and humility.

Communicating our Story

We share our stories of faith both as individuals and local congregations. We also invite dialogue and engagement in our shared ministry.

Stewarding Resources

The Minnesota Conference seeks to be a responsive steward of God's gifts. We exercise prudent financial practices, develop new sources of revenue, and inspire current donors to greater generosity. We practice wise investment and careful planning.
